

## Pteranodon 3-D Stand-Up Model with Directions

Kids, have fun coloring and putting together your very own pet Pteranodon.

For good  
Strength heavy  
Card stock paper is  
Best for these 3-D  
Stand-Up animals.

This dinosaur stand-up is  
so easy and fun to do.  
All you do is cut it out, color it  
and you 've got your very own  
Pteranodon hanging onto the  
Outside of your drinking glass.  
The S part of each wing  
hangs over the glass.

To keep your pet Pteranodon happy and well  
fed you 're going to have to build him a gigantic  
aviary to fly around in and huge branches to sit on.

Feeding your pet Pteranodon is going to  
take some serious work. You and all your friends  
are going to have to get buckets and buckets of bugs

for him to eat every day.

He might even like a nice tasty rat or  
two or three or four...
